THIS MATTER IS BEFORE THE COURT on Defendant's "Motion To Seal" (Document No. 22) filed on November 30, 2023. This motion has been referred to the undersigned Magistrate Judge pursuant to 28 U.S.C. § 636(b), and immediate review is appropriate. Having carefully considered the motion and the record, the undersigned will deny the motion.

A party who seeks to seal any pleading must comply with the Local Rules of this Court. "Motions to seal a particular [criminal] pleading or any portion thereof and orders disposing of such motions are governed by the requirements for sealing provided by LCvR 6.1, incorporated herein by reference." LCrR 49.1.1 (a).

Local Civil Rule("LCvR") 6.1 provides in relevant part as follows:

LCvR. 6.1 SEALED FILINGS AND PUBLIC ACCESS.

(a) ***Scope of Rule.*** To further openness in civil case proceedings, there is a presumption under applicable common law and the First Amendment that materials filed in this Court will be filed unsealed. This Rule governs any party's request to seal, or otherwise restrict public access to, any materials filed with the Court or used in connection with judicial decision-making. As used in this Rule, "materials" includes pleadings and documents of any nature and in any medium or format.

(b) ***Filing under Seal.*** No materials may be filed under seal

except by Court order, pursuant to a statute, or in accordance with a previously entered Rule 26(e) protective order.

(c) ***Motion to Seal or Otherwise Restrict Public Access.*** A party's request to file materials under seal must be made by formal motion, separate from the motion or other pleading sought to be sealed, pursuant to LCvR 7.1. Such motion must be filed electronically under the designation "Motion to Seal." **The motion must set forth:**

- (1) A non-confidential description of the material sought to be sealed;
- (2) A statement indicating why sealing is necessary and why there are no alternatives to filing under seal;
- (3) Unless permanent sealing is sought, a statement indicating how long the party seeks to have the material maintained under seal and how the matter is to be handled upon unsealing; and
- (4) Supporting statutes, case law, or other authority.

LCvR 6.1. (Emphasis added).

By the instant motion, Defendant seeks to file a "Sentencing Memorandum And Request For Downward Variance" (Document No. 21) under seal. (Document No. 22). Defendant contends that this filing includes sensitive information that should be sealed. *Id.*

Having considered LCvR 6.1(c) and LCrR 49.1.1, and the record of this case, the Court will deny Defendant's motion, without prejudice to re-file. The instant motion does not comply with LCvR 6.1(c), and it is unclear what information Defendant contends is sensitive and why there is no alternative to filing the entire document under seal.

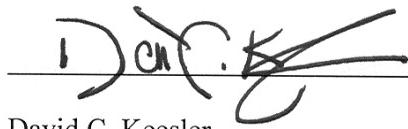

IT IS, THEREFORE, ORDERED that Defendant's "Motion To Seal" (Document No. 22) is **DENIED WITHOUT PREJUDICE**. Defendant shall file a revised motion, consistent with the Local Rules, on or before **December 4, 2023**.

IT IS FURTHER ORDERED that Defendant's "Sentencing Memorandum And Request

For Downward Variance" (Document No. 21) shall remain under **SEAL** until the Court rules on Defendant's revised motion.

SO ORDERED.

Signed: November 30, 2023

David C. Keesler
United States Magistrate Judge
